

Second Amendment Organization

Position Statement

Ammunition

September 2018

Legality of “hollow point” or “armor piercing” bullets? (Supportive)

The Second Amendment Organization does not support special sets of laws governing the manufacture, sale, possession or use of any special class of ammunition by legal firearms owners involved in otherwise legal activities.

Possession of Ammunition or Ammunition Components requiring a permit? (Against)

The Second Amendment Organization does not support requiring individuals to have a permit or license to possess ammunition.

Background Checks for the purchase of ammunition? (Against)

The Second Amendment Organization does not support requirements for background checks for the purchase of ammunition.

Restrictions on Ammunition Possession, by amount? (Against)

The Second Amendment Organization does not support the establishment of restrictions on the amount of ammunition that an individual may possess.
